

Evaluation of Sports Premium Strategy 2022-23

Planned Strategies and Expenditure				
Academic Year		2022 - 2023		
		Total Funding: £32, 071 (£19,170 for this year, plus £12, 901 from last year)		
		Total expenditure: £18, 973.94		
Key indicator 1: Increased confidence, knowledge and skills of all staff in teaching PE and Sport				
Desired outcome	Chosen action/approach	Proposed impact:	Actual Impact (including any lessons learnt and considerations for next year).	Total Expenditure
Staff are supported to enhance their knowledge of the PE curriculum and have a better understanding of planning and assessment.	<p>External Providers to deliver sessions to all staff, such as promoting Active Learning and how to organise events within and across academies.</p> <p>Investigate external providers through NELC SSP to coach staff and model outstanding lessons.</p> <p>NELC SSP to work closely with curriculum leader to develop their role.</p> <p>Resources to be purchased to support the delivery of the curriculum e.g. Chris Quigley materials.</p> <p>Outdoor learning and Forest School Sessions</p>	<p>Build confidence in staff and provide them with new ideas.</p> <p>Help raise the profile and importance of sports and active learning.</p> <p>Enhance knowledge and skills and also continue to improve wider aspects such as assessment and monitoring progression.</p> <p>All staff to be confident to effectively deliver the PE curriculum.</p>	<p>Individual staff have been supported to deliver PE lessons and clubs, mainly provided by Lincs Inspire and school Sports Partnership.</p> <p>Through the Sports Partnership, all staff had an opportunity to work alongside an outstanding practitioner who delivered lessons and supported teachers with future delivery and planning.</p> <p>We have also purchased a package to support staff to deliver mindfulness and well-being.</p>	<p>NELC SSP Package- £1, 650.00</p> <p>Staff CPD £775.00</p> <p>CQ Resources £275.00 (Assessment and curriculum leaders handbook)</p>

Key indicator 2: The engagement of all pupils in regular physical activity

Desired outcome	Chosen action/approach	Proposed impact:	Actual Impact (including any lessons learnt and considerations for next year).	Total Expenditure
<p>A wider number of children will be engaged in more regular physical activity</p>	<p>Investigate strategies to encourage a greater range of play and physical activities at lunchtime e.g. OPAL play scheme.</p> <p>Organise a range of after school clubs.</p> <p>Use equipment purchased last year to support after school clubs and PE lessons.</p> <p>Purchase additional equipment as needed.</p> <p>External visitors to be invited into the academy to work with children.</p> <p>Look at ways to incorporate the golden mile into the school day.</p> <p>Resources to support Active Learning in all lessons.</p>	<p>Children to be more active across break and lunchtime.</p> <p>A greater number of after school activities will be accessed by a greater number of children.</p> <p>Staff are supported to run a range of clubs to engage the children with new and exciting sports.</p> <p>Children are more active and are enjoying their increased fitness.</p> <p>The profile of sport is raised and children are willing to try new things.</p> <p>More opportunities for exercise are provided throughout the school day.</p>	<p>A greater variety of activities have been offered, including after school clubs and activities including boys and girls' football, kurling and dance.</p> <p>We made the decision to invest heavily in new equipment to support new clubs being offered and to ensure children were being exposed to a range of different sports and equipment outside of the PE lesson. This has had a significant impact on the amount of activity the children are taking part in at break and lunchtimes.</p> <p>Some of the equipment has also been to develop skills in other areas such as tennis and rugby which will not only benefit the children this year but in following years as well.</p> <p>We have invested heavily in equipment for breakfast club, such as the equipment needed for table tennis so children can partake in some different indoor activities.</p> <p>The investments made in this area will continue to support the development of an active lifestyle in future years as well as this one.</p>	<p>Equipment and Resources £7, 434.91</p> <p>Active Learning Package £250</p> <p>Sports Equipment for Sporting Rewards £98.65</p> <p>Raising Aspirations Positive Footprints Programme £390</p> <p>Sports Day Rewards and resources £324.50</p> <p>Resources to support physical development in Early Years £1000</p>

Key indicator 3: The profile of PE and Sport being raised across the school as a tool for whole school improvement

Desired outcome	Chosen action/approach	Proposed impact:	Actual Impact (including any lessons learnt and considerations for next year).	Total Expenditure
<p>The profile of sport has been raised and there is greater participation leading to an improvement in confidence and self-esteem.</p>	<p>Promote all activities through increased, whole school communications.</p> <p>Use social media outlets to promote and celebrate achievement and participation.</p> <p>Whole school focus on the importance of active learning.</p> <p>Engaging with external providers to provide additional opportunities.</p> <p>Further develop the academy website to make more engaging and make parents and children more aware of sporting activities.</p>	<p>Children and parents are fully aware of the opportunities available.</p> <p>An increase in confidence and self esteem can be seen and children are encouraged to participate in things they wouldn't normally try.</p> <p>Staff are encouraged to implement active learning into their lessons, including greater use of the outdoor learning areas.</p> <p>The benefits of active learning and healthy lifestyles translates into children feeling better, healthier and ready to learn.</p> <p>Children are inspired and encouraged to participate and know the importance of non-academic skills and achievements.</p>	<p>We have worked hard this year to raise the profile of sports and active learning, using our social media platforms to make children and parents much more aware of what we offer.</p> <p>In order to boost esteem, we have purchased a new sports kit for children to wear when partaking in external competitions so they feel a sense of pride and belonging to their team and invested heavily in cups and medals to celebrate the achievements</p>	<p>Trophies for end of year awards £585.00</p>

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils

Desired outcome	Chosen action/approach	Proposed impact:	Actual Impact (including any lessons learnt and considerations for next year).	Total Expenditure
<p>An increase in the number of different sports and tournaments entered and increased numbers of children participating.</p>	<p>Linked to Indicator 2, ensure that a wider range of sports are offered.</p> <p>Expand on sports that may have been introduced last year but make more accessible to an increased number of children.</p> <p>A series of whole academy events has been organised throughout the year.</p>	<p>A wider audience has been targeted and children are more willing to do something new.</p> <p>Linked to Indicator 3, the profile of sport has been raised and in turn enjoyment activities and participation levels are increased.</p>	<p>There have been lots of opportunities for children to participate in a wide range of activities.</p>	<p>NELCSSP Package- £1, 650.00</p>

Key indicator 5: Increased participation in competitive sport

Desired outcome	Chosen action/approach	Proposed impact:	Actual Impact (including any lessons learnt and considerations for next year).	Total Expenditure
<p>Increased entry into a number of different sports and tournaments.</p>	<p>Investment in the NELC SSP.</p> <p>Investigate opportunities for increased participation in wider events.</p> <p>Investigate possibility of attending different sports at other schools.</p> <p>Continued investment in the Academy mini bus and other buses from across the trust.</p>	<p>Open wider avenues and contacts for organising and participating in sports events across the county.</p> <p>Wider participation is encouraged.</p> <p>Children and staff appreciate the benefits of healthy competition.</p> <p>Participation in local and regional sporting events is easier and we can offer transportation at no cost to the children.</p>	<p>We have continued to invest in the North East Lincolnshire Sports Partnership, which has supported participation in a wide range of sporting events.</p> <p>A few examples of events our children have participated in this year:</p> <ul style="list-style-type: none"> • KS1 Gymnastics • Quad Kids Athletics • KS2 Gymnastics competitions • KS1 Cricket Festival • KS2 Tag Rugby • Y5/6 Football tournaments • KS2 Dodgeball • SEND New Age Kurling <p>In addition, a number of other events have been organised across the trust including a girl's football tournament.</p> <p>Participation in these events has been supported through having our own minibuses that we can use to try and alleviate the cost of hiring buses/coaches</p>	<p>NELC SSP Package- £1, 650.00</p>

Key indicator 6: Any other factors, relating to improved health and fitness.

Desired outcome	Chosen action/approach	Proposed impact:	Actual Impact (including any lessons learnt and considerations for next year).	Total Expenditure
<p>Further ways to improve the health and general fitness of the children has been considered.</p>	<p>Intensive swimming sessions to continue at local leisure centre.</p> <p>Active steps taken to formalise outdoor learning through the curriculum and forest schools, including construction of outdoor classroom.</p> <p>Continue and further enhance the methods and strategies across the academy to support mental health and well-being.</p> <p>Implementation of a sports leadership programme for pupils.</p>	<p>A greater number of children have received support to enhance their swimming skills.</p> <p>Greater opportunities for outdoor learning have been provided which supports active learning.</p> <p>Improvement can be seen in all areas – pastoral, academic, health, fitness and overall general fitness and well-being.</p> <p>Support basic and enhanced skills for bike riding. All children in Reception to have taken part.</p>	<p>There has been an increased range of activities and support general health and well-being of both pupils and staff.</p> <p>Balance Bikes and Scooters have been ordered so that we can continue to provide these activities, utilising the training received by staff.</p> <p>We have participated in the WOW walk to school campaign to support active travel to school. This will continue next year.</p>	<p>Yoga Bugs Subscription £2,220.00</p> <p>Badges for leaders £121.60</p> <p>Balance Bikes and Scooter Wise £2634.80</p> <p>WOW badges £282.48</p> <p>Forest School Sessions £932.00</p>
