

Europe

Europe is a continent. There are over 50 countries in Europe and 23 recognised official languages spoken.

There are five primary rivers in Europe: the Volga, the Danube, the Rhine, the Elbe and the Loire.

Europe has many mountain ranges. Mount Elbrus in Russia is the highest mountain in Europe. It is 5,642 metres/ 18,510 feet. The mountain is part of the Caucasus mountain range. The highest

Physical Features

peak in the European Alps is Mont Blanc.

The top of a mountain is called the summit. To find out how high a mountain is, measure from sea level to summit. To find how tall a mountain is, measure base to summit.

The Black Sea and the Caspian Sea are

Key Rivers

The Rhine flows 766 miles.
